

The Institute of the Americas

(IOA) three building complex is located on the large University of California, San Diego (UCSD) campus. Allow 15-20 minutes to buy a parking permit, locate parking and walk to the IOA building complex.

Mailing address:

10111 North Torrey Pines Rd.
La Jolla, CA 92037
Tel: (858) 453-5560

Physical location:

UCSD Campus
International Lane

Follow directions carefully as GoogleMaps and MapQuest display International Lane *incorrectly*. Additionally, neither the buildings nor the address are visible from N. Torrey Pines Rd.

Parking on campus requires either a UCSD parking permit or a pre-paid ticket available at the Pangea parking structure. Look for a paystation located on the roof level of the parking structure at the corner of Pangea and Scholars Drives. The cost is \$1 per hour, \$6 all-day or \$3 after 5:00 p.m.

From Interstate 5 Freeway

1. Exit on Genesee Ave. (see note 2)
2. If Northbound, turn LEFT off ramp, RIGHT if Southbound (West on Genesee).
3. Cross the stoplights at Science Center Dr. and Johns Hopkins Dr.
4. Turn LEFT at the next stoplight on N. Torrey Pines Rd.
5. Drive to Pangea Dr. and turn LEFT (after Salk Institute Rd.), entering the UCSD campus at this point.
6. Turn LEFT at the stopsign on Scholars Dr. and immediately LEFT onto corner parking structure.
7. Look for a pay station on the roof level and purchase a parking permit. Cash or credit card accepted. Park and display permit on your dashboard.
8. Walk back to Pangea Drive and turn LEFT, uphill on Thurgood Marshall Lane.
(Note that International Lane is parallel to Scholars Dr. and can alternatively be reached by walking through the Eleanor Roosevelt College facilities.)
9. Turn LEFT on International Lane.

The Institute is located about 100 paces from the corner of Thurgood Marshall and International Lane, on the right. It's the only Spanish-style, red-tiled roof building on campus. Institute offices are located on the second floor of the center building. The Copley International and Weaver Conference Centers are on the right hand side of the plaza. The Hojel Hall of the Americas Auditorium is located inside the Copley International Conference Center.

If coming from La Jolla, take North Torrey Pines Rd. and turn RIGHT on Pangea Dr.

Delivery and Handicap Parking

No need to purchase a parking permit with a valid handicap permit. Handicap parking can be found along International Lane in the 20 minute loading zone spaces in front of the IOA complex when not occupied.

To access the IOA office building, use the Northeast corner pathway closest to the Gildred Center or Iberian and Latin American Studies building (left side of plaza when facing the Institute). Follow the meandering path that borders the left side of the complex to the IOA building. Reach the first story entrance. Once inside, take the elevator to the second floor. Alternatively, the second floor entrance can be accessed via Ridge Walk which is directly across from the RIMAC building.
